

קור דמי אחינו צועקים!

THE BLOOD OF OUR BRETHREN CRIES OUT!!

The alarming and brutal pogrom perpetrated by the Israeli police and Border Guards, who invaded and destroyed and looted the Sanctuary and sanctity of the Toldos Aharon synagauge in the midst of a tranquil Shabos atmosphere is so outrageous and horrifying as it is unprecedented in any civilized country.

Scores of innocent men and children were mercilessly beaten and dragged off to jail, and dozens were hospitalized many refuze to go for medical help fearing imprisonment!! Forty one peop' are now in prison.

The brutal Jerusalem Police attacked the people in this Synagouge because some of them participated in a peaceful demonstration Shabbos afternoon against the desecration of the Holy Shabbos on the Ramot Road, that cuts through the Orthodox Jewish communities in Northern Jerusalem.

In view of the graveness of this situation and after having exhausted all appeals to bring about their release, and at the urgent request of our Brethren of the Holy City of Jerusalem
